DTS Ltd Environmental Policy Statement

DTS Ltd is a professional and environmentally conscious organisation who acknowledges the potential impact that it's operations may have on the environment. DTS Ltd has clear objectives to minimise any impact on the environment by it's commitment to comply with the duties placed upon it within the requirements of Statutory Legislation, whilst at all times complying with as a matter of best practice, the requirements and duties set out within Approved Guidance as issued by the UK Environment Agency and the European Union.

DTS Ltd is committed to providing our customers with safe and environmentally friendly products that are compliant with the European Union RoHS Directive (Restriction of Hazardous Substances), REACH Regulation (Registration, Evaluation Authorisation and Restriction of Chemicals), the WEEE Directive (Waste Electrical and Electronic Equipment). Based on our own internal analysis, working with supply chain partners through Supplier Questionnaires and/or material certifications of the raw materials used in the manufacture of DTS Ltd products, we declare that to the best of our knowledge DTS products comply with current regulations.

Management and supervisory staff have responsibilities for the implementation of the Policy and must ensure that environmental issues are given adequate consideration in the planning and day-to-day supervision of all work.

DTS Ltd will take all practical steps to ensure that potential hazards and risks to the environment are identified and that suitable and effective prevention and control measures are implemented. All employees will be provided with the necessary resources, equipment, information, instruction and training to fulfil the requirements of this Policy.

The Managing Director has overall responsibility for all environmental matters. The operation of this Policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to our activities
